

Shotspan is not just a podcast about wacky news stories, it's a weekly drinking game and any game has to have rules.

The way this works is simple: We have different trigger terms, and if the stories we talk about include any of these triggers we drink. And if we drink, so can you.

This list will change from time to time but we hope to keep it mostly static and consistent.

Alcohol (Drunkeness) 2x

Aliens
Animals
Arrest
Baby
Bigfoot
Botched Crime
Celebrity
Driving
Drugs
Dumb Law
Elderly
General Stupidty
Ghost
Guns
Lawyer
